

Shoreline Gardens for Improved Water Quality

Free Shoreline Garden Consulting

Reestablishing nature at the shoreline is crucial to improving the water quality in our lakes.

If your property is located in Washtenaw County, the County offers a one hour, on site consultation to answer your questions about establishing or improving your shoreline garden. You can sign up for a consultation at: [//www.washtenaw.org/706/Request-a-Design-Visit](http://www.washtenaw.org/706/Request-a-Design-Visit).

For HRCOLA (formerly known as PBWOA) members who own waterfront properties on the Huron River Chain of Lakes in Livingston County, HRCOLA will reimburse up to \$125 for a one hour consultation about establishing or improving a shoreline garden with Certified Shoreline Professional. HRCOLA will reimburse the first 25 applicants. Reserve your reimbursement by contacting HRCOLA at mail@HRCOLA.org.

Three Certified Shoreline Professionals who have worked on area lake front properties and have agreed to participate in HRCOLA's program are:

Janee Kronk – kronkrevolution@gmail.com, 810-923-7771

Nicole Lloyd - Lotus Gardens – nicole@lotusgardenscapes.com, 734-735-16155

Karleen Shafer - Landscape Design and Associates karleen@ldanda.com, 810-360-0365

Additional Certified Shoreline Professionals who live in Washtenaw County are listed on the next page of this flier and others are listed on the Michigan Shoreline Partnership site at: <https://www.shorelinepartnership.org/find-a-shoreline-contractor.html>.
